The poster is a hand-drawn collection of ideas to combat boredom. At the top, two lightbulb icons flank the title 'Meine Ideen gegen Langeweile' and the author's name 'von Tom Levi'. The ideas are arranged in a grid-like fashion:

- Top Left:** A pentagon containing a drawing of a video camera and a hand holding a spot light. The text 'video drehen mit Spot' is written below.
- Top Middle:** A triangle containing a drawing of a guitar and musical notes. The text 'Musik machen' is written below.
- Top Right:** A circle containing a photograph of a snail on a leaf. The text 'Schnecken beobachten' is written below.
- Middle Left:** A rectangular frame containing a photograph of a child sitting on a large tree branch. The text 'draußen sein' is written vertically to the left.
- Middle Right:** A cloud shape containing drawings of a laptop, a game controller, a toy car, and a sun. The text 'mit Ben spielen' is written inside the cloud.
- Bottom Left:** A speech bubble containing a drawing of a colorful pencil case and two circular logos with the letters 'FC BM'. There is no text written inside the bubble.
